Pharma & Supplements Sourcing

Comprehensive Sourcing Network & Portfolio Catalog

---

7 Years of Sourcing Excellence | 50+ Industrial Clients | 300+ Global Suppliers

# Our Value Proposition

---

With over 7 years of specialized experience in the Egyptian and MENA markets, Silver Trading bridges the gap between pharmaceutical, supplement, and cosmetic factories and top-tier global manufacturers. We do not just find suppliers; we qualify them, negotiate contracts, and ensure full regulatory compliance.

## Quality & Documentation

Every material we source is accompanied by a full Certificate of Analysis (CoA), Material Safety Data Sheet (MSDS), and TSE/BSE declarations where applicable. We ensure GMP compliance.

## Global Sourcing Network

We have direct access to leading manufacturers in China, India, Germany, and Italy, allowing us to secure competitive pricing and reliable supply chains.

## Regulatory Support

We provide technical consulting and documentation support to ensure your products pass Ministry of Health (MoH) registration smoothly.

## Packaging Options

We facilitate standard industrial packaging (25kg fiber drums, 50kg bags, etc.) or custom packaging upon request to suit your production line's needs.

# 1. Pharmaceutical Raw Materials
